

Summer is coming!

Don't let the banks and airports cash in when you buy currency!

Travel Money Online

An estimated £37 billion will be spent by Brits overseas this year alone! Will you be one of them? Benefit from an extremely competitive rate with no hidden charges, and free next day delivery for orders over £500!

Currency services

Are you investing in or buying property? Or sending regular payments for an overseas mortgage? Buy your currency at a competitive rate with no hidden charges, no commission fees, transfer charges or overseas bank receiving fees.* You can typically save up to 4% over your high street bank.

Online International Money Transfers

Benefit from discounted online exchange rates together with fast and highly secure international money transfers of up to £10,000.

If you are interested in any of these services then please let me know directly by replying to my email. I can then refer you directly to these currency specialists who will be glad to help and help save you money.

*In the event that a client is charged we will arrange a full refund upon proof in the form of a bank statement (Sterling equivalent). Note: this does not include the cost of you transferring the funds to HiFX and any charges incurred where the funds being sent are in a different currency than the destination bank account. As part of the service, HiFX provides one free transfer per trade..
